OSPA Fall Conference 2026

Graduate Credit Information – ED

Requirements for Credit:

- Attendance at both days (must equal 12.5 hours).
- Submit Session Attendance Form at the end of Friday.
- Completion of one (of four) of the options listed below.

Credit Completion Options (Select ONE of the following):

1. Submit a 2-page paper describing how the information gained from the conference can be applied to your role and responsibilities in your building or district. Describe the impact of the information on your professional growth and how you will use the information in your school setting.
2. Select and further research one of the presented topics (PBIS, TIPS, hot topics). Write a 1-2 page paper in which you compare and contrast your district, building, or personal policy/practice for working with students dealing with one of the above. Site at least one additional reference.
3. Develop an action plan outlining the use of the information gained in improving your support and assistance of students, parents, and staff. You can focus on any or all of the various presented topics.
4. Develop a presentation to your building/district staff based on the presented information. Describe your audience and future use of the presentation.

Due: December 4, 2026 Late papers will result in an Incomplete

Please email your assignment to Dr. Robert J. Kubick, Jr. at robert.kubick@coplaey-fairlawn.org

Upon satisfactory completion of the assignment, a grade will be entered P/S (Pass/Satisfactory) to Ashland University by December 11, 2026. **Late papers will result in an incomplete!**

Transcripts will be available from Ashland University by January 8, 2027. Grades can be accessed online through WebAdvisor at the Ashland University website www.ashland.edu. Please refer to the back of your goldenrod copy of the registration form for further directions/information.

OSPA Fall Conference 2026
