DON'T WORRY!

This event is for English language learners!

- **You might be thinking, "What if my English level isn't very high?"**
 - Well then, you are exactly the kind of person we want at this conference! This conference is designed to help students in English language programs practice their skills while gaining confidence by speaking at a public event.
- **Or you could wonder, "Who will listen to my presentation?"**
 - People from your school as well as students and teachers from other schools may attend your presentation. You might even meet some local people from the Ashland area, such as high school students or retirees.
- **Finally, you might want to know, "Is this a competition?"**
 - You know, it's not a competition. This is an event where everyone can shine. All the attendees will enjoy the presentations given by the other attendees. We will celebrate your hard work, and we will support each other as we continue to improve our English skills.
