Items listed below directly reference

Ohio's Standards for Professional Development (April 2015)

1. Learning Communities: Professional learning that increases educator effectiveness and results for all students...occurs within the learning communities committed to continuous improvement, collective responsibility and goal alignment. Check those that apply.

- Engages in continuous improvement
- Develops collective responsibility
- Creates alignment and accountability

2. Leadership: Professional learning that increases educator effectiveness and results for all students... requires skilled teacher leaders and administrators who develop capacity, and advocate and create support systems for professional learning. Check those that apply.

- Develops capacity for learning and leading
- Advocates for professional learning
- Creates support systems and structures for professional learning

3. Resources: Professional learning that increases educator effectiveness and results for all students... requires prioritizing, monitoring, coordinating resources for educator learning. Check those that apply.

- Prioritizes time, human, fiscal, material and technological resources
- Monitors resources
- Coordinates resources

4. Data: Professional learning that increases educator effectiveness and results for all students... requires the use of a variety of sources and types of student, educator and system data to plan, assess, and evaluate professional learning. Check those that apply.

- Analyzes student, educator and system data
- Assesses progress
- Evaluates professional learning

4a. Describe the current educational issue/problem that this professional development class addresses.

5. Learning Designs: Professional learning that increases educator effectiveness and results for all students...integrates theories, research and models of human learning to achieve its intended outcomes. Check those that apply.

- Applies learning theories, research and models
- Selects learning designs
- Promotes active engagement

5a. and b. **Attach an agenda** that describes each session that the class will meet and the activities that will take place outside of class. The agenda must include the date/time for each session and a bulleted listing of all topics and activities for all sessions/activities. For each credit requested, your agenda must document...

1. **Face-to-Face**...12.5 hours (excluding breaks and meals) of traditional classroom instruction
2. **Online**...12.5 hours of adjunct facilitated/monitored online instruction (excluding breaks and meals)
3. **Hybrid**...12.5 hours of a combination of face-to-face and online instruction(excluding breaks and meals)
4. **Job Embedded**...5 hours of traditional classroom instruction (at least 2 meetings) and 30 hours of team and individual study/implementation. Include description and log of how 30 hours will be monitored.
5. **Unique Design**...Prior to submitting a "Unique Design" proposal, meet with the Ashland University Professional Development Director to assure that University and Ohio Board of Regents' credit requirements are met.

The agenda has been attached that includes dates and times of face-to-face meetings? Yes (These dates may help set any In-Person Registration dates and times)

If you have indicated this is a Job Embedded proposal, the documentation has been attached? Yes

6. Implementation: Professional learning that increases educator effectiveness and results for all students... applies research on change and sustains support for implementation of professional learning. *Check those that apply.*

- Applies change research
- Sustains implementation
- Provides constructive feedback

6a. Describe in detail the assignment given and evidence gathered to assess participant performance and award graduate credit. The assignment must have at least 3 hours of work outside of class for each semester hour of credit.

7. Outcomes: Professional learning that increases educator effectiveness and results for all students...aligns its outcomes with educator performance and student curriculum standards. *Check those that apply.*

- Meets performance standards
- Addresses learning outcomes
- Builds coherence

7a. List what participants will know and be able to do when they complete this class.
